(727) 849-2577 ▪ (800) 252-3054 ▪ FAX: (727) 847-5024

DISASTER SUPPLY KIT FOR 02 PATIENTS

Set aside a large plastic container as your "Hurricane Box." Add items listed below as you collect them.

WATER AND FOOD

At least one (1) gallon of water daily per person for at least one week. If for any reason you must disinfect water, use unscented bleach in the ratio of 8 drops per gallon and let the mixture sit 30 minutes before use. Try to have food that does not need water to cook or prepare. Always sanitize hands before and after preparing meals.

IMPORTANT NOTE:

If you have a special need, you **must** complete this form and mail to the appropriate county agency before the start of hurricane season to ensure availability in a shelter that can meet your needs.

In accordance with Florida Statute 252.355, registration is for residents who have a physical, mental or sensory disability and require assistance with evacuation during an emergency. Registration does not guarantee availability of medical treatment in the shelter.
